Carroll County Engineer: The subject property does contain flood plain. There are known “state waters” on the subject property. The property fronts Sharp Creek Reservoir.

Carroll County Fire Rescue: No comment at the time of this report.

Carroll County Board of Education: The proposed single family dwelling will have little impact to the Carroll County School System at this time.

Carroll County Water Authority: Carroll County Water Authority serves this property, but does not review for fire protection requirements. Zoning analysis does not reserve water capacity.

All received departmental comments are available upon request.

STAFF COMMENTS: The proposed property consists of 5.57 acres and two dwellings. The second dwelling was an accessory building which was converted to a dwelling and a home office. The applicant has a renter in the dwelling. The applicant does not wish to split the property. The property is zoned Agricultural which has a four acre minimum. The use has no adverse impact on the neighborhood.

STAFF RECOMMENDATION: APPROVAL.

PUBLIC NOTIFICATIONS: As required by Sections 14.3 and 14.4 of the Carroll County Zoning Ordinance, the public has been notified in the *Times-Georgian* on February 6, 2021; a sign was posted on the subject property, and all abutting property owners received notification of the rezoning request via U.S. mail.

Respectfully submitted,

Janet Hyde
County Planner
