### **Summary**

All these incidents have been in the last 4 Years. All expenses as billed is a total of **\$224,677.79** this does not include cost of manpower/ overtime sitting on inmates while receiving treatment or the cost from extra medical care treatment through our on-site provider. Fortunately, our new security system was able to video the last five incidents, which would show the incidents all done on purpose by the injured inmates and the assault on Off. Rood.
