Michelle Morgan, Chairman  
Carroll County Board of Commissioners  
P.O. Box 338  
Carrollton, GA 30112

Dear Commissioner Morgan:

I am currently in active negotiations with Healthliant, Inc. to purchase West Georgia Ambulance, Inc. Healthliant, Inc. is the non-profit holding company for all of the Tanner Health System entities. As you may be aware, Section 8 (Assignment) and Section 9 (Transfer to Successor in Interest) of the Emergency Medical Services Agreement between Carroll County and West Georgia Ambulance requires "prior written consent of the County" before any transfer of interest can occur. Since we are in the final stages of negotiation with Healthliant, I respectfully request that the County Commission also provide written consent to the assignment of the contract to Healthliant, Inc. at its June 7<sup>th</sup> Commission meeting.

I am available at anytime to discuss this matter in more detail if that would be helpful to you or any other Commissioners.

Sincerely,

Steve R. Adams  
President
