GYMNASTICS EQUIPMENT DONATION

To: Chairman and Board of Commissioners

From: Thad Ferguson, Director

Melissa Payne, Gymnastic Coordinator

Date: November 10, 2022

Subject: Gymnastics Equipment Donation to the City of Bowdon

The City of Bowdon Gymnastics program has recently experienced changes in their staff/leadership. During these changes, they have come to realize that their program is in major need of upgrades to their facility and gymnastics equipment. We recently met with the new staff to discuss their program and to give advice/ideas on how to revamp the program. The need for updated equipment was a topic that was brought up during our conversation. The new staff sent us a list of equipment they were looking to replace. Our gymnastic program has equipment that was either donated to our program or that just sits in storage and rarely gets used. By lending a helping hand, these upgrades will help with participant's safety and give their program a boost of confidence! We are willing to donate the following equipment upon approval from the BOC:

- 9 rolls of 8x42 carpet bonded foam (cheer floor)
- 20-foot air track with electric pump
- 605 pieces of 6x6 loose pit foam
- GMR Choco Vault Table
- GMR Junior Kip Bar
- Ladder Stall Bar

We are very fortunate to have the opportunity to help our neighboring community with their gymnastics program. Thank you for your consideration on this matter!
