### REQUEST FOR QUOTATION SCORE BOARDS FOR CARROLL COUNTY RECREATION

#### I. Introduction

##### Intent:

The Carroll County Recreation Department invites you to submit a proposal responsive to the issues outlined in the request for quotation to provide, deliver and install **SCORE BOARDS** for the Department field construction projects. Bids should be structured to show with and without installation. Award will be made based on the basis of the criteria as outlined in this document.

##### Background:

Carroll County is a rural county in northwest Georgia with a population of 110,000 located just west of Atlanta, Georgia. The area has one of the fastest growth rates in the state. The Carroll County Recreation Department has seen an increase in the number of participants reach over 20% and has expanded its program offerings. Currently, the Department maintains 1,500 acres of park land and athletic facilities at various locations. The main park located at 1201 Newnan Road, Carrollton, Georgia 30117, aka The Carroll County Athletic Complex is home to most athletic activities. We are currently constructing two new baseball/softball and two multi-use fields and need scoreboards for these areas.

For the sake of this proposal, the respondents should anticipate that the selected firm will be able to enter into a purchase agreement no later than January 2009. It is the desire of the Department to make said purchase as soon as possible pending the approval of the Board of Commissioners (if applicable), Purchasing Manager and availability of funds.

##### Notice to Contractors

Each bidder, before submitting a quotation, shall become fully informed as to the extent and character of the material required. No consideration will be granted for any alleged misunderstanding of the material to be furnished; it should be understood that the submission of a quotation is an agreement with all the items and conditions referred to herein. The selected firm is expected to become familiar with Carroll County Recreation criteria, County Building Code and meet the needs of the Department.

#### II. Scope

Firms interested in obtaining a contract with Carroll County for providing score boards shall prepare a written offer to include but not limited to the following terms and conditions:

**PART A (Baseball/Softball):** The Department requires two (2) baseball/softball electronic scoreboards. One board will be 235 feet from the score tower and one will be 260 feet from the score tower. Both will be elevated so that the bottom is six (6) feet off the ground. Boards require a minimum; Home Score, Visitor Score, Inning, Outs, Balls, Strikes and must include timing mechanism. Prefer base color of either, but not the same for both of

gray, white, orange, black, brown or unique design. Carroll County fields use score board color for field identification and colors not listed are already in use. But unique design can also be applied. Quote must include back-up transformer, additional bulbs, three (3) total control boxes to have one for back up and all necessary wiring or wireless adaptors as quoted.

**PART B/OPTION 1 (Football):** The Department requires one (1) football electronic score board. Boars will be approximately 400 feet from score tower. Board requires at a minimum: Home Score, Visitor Score, Game Clock, Down, Quarter, Yards to Go, Ball On, Possession, Horn and Time Outs. Design and color has no preference. Quote must include back-up transformer, additional bulbs, two (2) total control boxes to have one for back-up and all necessary wiring or wireless adaptors as quoted.

**PART B/OPTION 2 (Football/Track):** Carroll County Recreation will be hosting track events at the location for the Option B Football Scoreboard. We would prefer a multi-use board that can score football and allow for track scoring. Please quote for a football/track scoreboard if you have such a product.

**PART C- OPTIONAL (Multi-use):** Carroll County Recreation has six (6) Nevco baseball/softball scoreboards that need a 90 minute countdown timer. Can be attached or detached, but we request a quote for six (6) independent timers with minimum 7" numerals.

At a minimum, a thirty (30) day non-restrictive warranty is required.

All projects must meet and withstand the Carroll County code and enforcement inspection.
