

Addendum 1, Solicitation No. 09-A043

**300' GUYED TOWER INSTALLATION AND ERECTION AT THE COUNTY'S  
WHITESBURG SITE**

The Carroll County Board of Commissioners submits Addendum 1 to Solicitation No. 09-A043, **300' GUYED TOWER INSTALLATION AND ERECTION AT THE COUNTY'S WHITESBURG SITE**. The specifications outlined in the original Request for Proposal have been changed as follows:

1. Change paragraph IIC to read: All building and construction permits will be provided by the County for the project. The successful bidder will be able to work under the site permit.
2. Bidders shall include installation of an FAA type L864/L865 LED Medium Intensity Dual Lighting System in their proposal. Bidder shall also include stainless steel hardware and appropriate click hangars/blocks to mount strobe cable in their proposal. Bidder shall leave an appropriate amount of cable for connection into power source. The County will supply the lighting system.
3. Bidders shall include materials and installation for grounding of the tower and anchor points. This will include installation of four (4) bonded grounding rods around tower base and the installation of a grounding rod at each anchor point. This shall be accomplished in accordance with accepted standards and procedures.

All other Specifications, Terms and Conditions, not affected by the above changes and additions, remain in effect.

Bidders shall indicate in their proposals they have received this addendum (Addendum 1), **300' GUYED TOWER INSTALLATION AND ERECTION AT THE COUNTY'S WHITESBURG SITE** (Solicitation 09-A043). Proposals without this acknowledgement may be rejected.
