

Addendum 1, Solicitation No. 10-A011

METRO ETHERNET SERVICE FOR CARROLL COUNTY GOVERNMENT

The Carroll County Board of Commissioners submits Addendum 1 to Solicitation No. 10-A011, **METRO-ETHERNET SERVICE FOR CARROLL COUNTY GOVERNMENT**. In an effort to clarify Specifications, Terms and Conditions the following changes and additions are made to the original Request for Proposal:

1. Clarification - The County is seeking a company to provide Internet Service to the Annex Building located at 423 College Street, Carrollton, GA 30117. This connection can be a Metro-Ethernet or equivalent connection capable of providing 10Mbps and 20Mbps speeds. The County will choose the speed based on price, availability, deliverability and need. Currently the County uses a 10Mbps Ethernet connection via Aerial Fiber.

Also, the County has deleted the requirement to provide and service a 40 Hour UPS of standby electrical power.

2. Section II (Project Specifications) – Delete specifications listed on the original RFP and replace with the following:
 - Installation of 10Mbps or 20Mbps Internet Service Connection to the Annex building located at 423 College Street, Carrollton, GA 30117. Bidder should provide a proposal on both services.
 - Coordinate the procurement, installation and configuration of any 3rd party equipment required for this proper installation of this service.
 - Installation and configuration of any bidder owned equipment necessary for the service connection.
 - Proper connection into the County-Owned equipment located at the service connection..
 - Bidder should quote on a 10Mbps and a 20 Mbps service.

3. Section III (Terms) – Delete terms from the original RFP and replace with the following:

“The Term of the Agreement will be for one (1) year beginning 31 December 2009. Any renewal options exercised by the County will be in compliance with O.C.G.A 36-60-13.”

4. Section IV (Subcontracting) – Add the following:

“The internet provider being used by the bidder is not considered a subcontractor under this requirement. The bidder should provide the name of said provider in their proposal.”

5. Section X (Method of Selection) – Delete “as authorized by O.C.G.A. 36-91-21.”

All other Specifications, Terms and Conditions, not affected by the above changes and additions, remain in effect.

Bidders shall indicate in their proposals they have received this addendum (Addendum 1), METRO-ETHERNET SERVICE FOR CARROLL COUNTY INTERNET SERVICE (Solicitation 10-A011). Proposals without this acknowledgement may be rejected.
