TO: Carroll County Board of Commissioners

DATE: December 14, 2021

FROM: Chief Deputy Brad Robinson 

RE: Capital Project FY 21 – 22

The Sheriff's Office is requesting to purchase ten (10) vehicles as a Capital Project for FY 2021-2022. By purchasing vehicles every year gives the ability to have the fleet in a safe operating condition and lowers the maintenance cost. I am requesting that the Sheriff's Office be approved to purchase the ten vehicles, fully equipped, for a total cost of \$498,000. I certainly realize that the cost has increased significantly over last year, which is out of our control. One of the vehicles will be equipped as a K-9 vehicle which is \$23,500 of the requested amount. I will be glad to come speak to the board about this request and answer any questions you have.
