*Price quotation does not include sales tax. These amounts will be added to the invoice amount as applicable.*

**Other Conditions of Sale:**

**Quote Expires in 90 Days**

Installation to be provided by QRS to customer installed RJ21X or 66 Block  
 Customer's radio, telephone, CAD and mapping vendors should provide the proper inputs identified and terminated within 6 feet of the recorder's physical location prior to installation by QRS. Additional charges may apply if the VoIP codec is anything other than G.711 PCM codec. Audio needs to be unencrypted  
 Price includes one year warranty which covers monitoring, parts, and onsite/remote labor  
 Service if needed may be obtained by calling (877) 733-7771 ext. 2  
 Equipment will be ordered and installed 30 days ARO unless agreed upon other wise, in which a written letter with requested install date will be required  
 Payment terms are net 30 days from invoice / installation  
 Customer is responsible for insuring the necessary 3rd party licensing, installation, and integration work is completed by its other vendors.  
 If the end user is not ready for the installation on the agreed upon date, the system will be shipped to end user and an invoice will be sent for 50% of total purchase price. Upon completion of the install and training, the remaining balance will be invoiced.
