Re: Request for Sutphen Pumper Refurbishment

On November 18, 2022, a quote to refurbish one of Carroll County's Sutphen Pumper was received. We requested this quote from Williams Fire Equipment as they are the sole vendor that performs refurbishments on the Custom Pumps we use. Please see attached quote.

After discussions with our Fire Rescue Fleet Manager, Eric Parr, and Deputy Chief Dave Wade, I am requesting that we accept the bid of **\$276,234.00** to perform the refurbishment of Sutphen Pumper #**HS3601**, currently assigned to Engine 12, Lowell.

If you or any of the other Commissioners have any questions, please do not hesitate to call.

Respectfully,

Chuck Barnwell
Fire Chief
